■ 授業の目的と概要(Course purpose/outline)
Students will learn skills, vocabulary, time management, and strategies for how to answer the questions efficiently and with the highest chance for choosing the correct response. In every class, we will practice all 7 parts of the test based on a theme. We will also do a short practice test. The book has directions and explanations in Japanese, but this course will be taught in English with just a little Japanese. Students should come to class eager and ready to speak in English.
