■授業の目的と概要(Course purpose/outline)
Students will look at each section of the TOEIC test and learn how to answer the questions efficiently and with the highest chance for choosing the correct response. In about half of the classes, we will use games to make the class more fun. We will use the same book as level 2 and look at the parts of the book that we did not cover in level 2. I will also use supplemental materials for more practice.
